

New York City Pedicab Owners' Association (NYCPOA)

Application for founding membership

Objectives of the NYCPOA

The association's objectives are to

- encourage pedicab owners in New York City to run their operations in accordance with the agreed Code of Practice for Pedicab Owners (Appendix 1).
- lobby the City of New York to regulate the industry in a workable manner.
- represent well the interests of pedicab owners.
- ensure safety, sustainability, and integrity of this form of transport.
- ensure the industry maintains a positive reputation with each stakeholder (e.g., customers, road users, pedestrians, police, sponsors, drivers, and legislators).
- assist in obtaining group insurance at a competitive price.
- help expand the industry.
- educate the public on the benefits of our industry.
- train and monitor extensively our drivers.
