Instructions

List below the Pedicab Identifying Number (PID) of each pedicab that you own and for which you seek a registration plate. **Note:** Each pedicab you list must have a unique and permanently affixed (PID). You must mark your pedicab with a PID if a unique Pedicab Identifying Number is not already marked on your pedicab by the manufacturer.

After you submit your complete application package, DCA will contact you to schedule an inspection of your pedicab(s) at a designated location in Manhattan. Registration plates will be issued only to pedicabs that are on-site and that pass inspection during your scheduled appointment.

Note:

Pedicab Business applicants can apply for no more than 30 pedicabs.

If you bring more than 10 pedicabs for inspection, please arrive with additional staff from your business to help speed processing.
