It is also the purpose of this subchapter to minimize the effect of pedicabs on traffic and congestion by establishing a maximum number of pedicabs that can be authorized to operate in the city. It is the purpose of this subchapter to require the inspection of pedicabs to ensure that pedicabs are safely operated in the streets of the city, and to provide a process for their removal if they have not been inspected as required.*

*§20-249 **Definitions.** Whenever used in this subchapter:*

*§20-250 **Pedicab business license.** a. It shall be unlawful for a pedicab owner to conduct a pedicab business unless such pedicab owner shall have first obtained from the commissioner a pedicab business license.*

b. In order to obtain, amend or renew a pedicab business license, a pedicab owner must provide the commissioner with the following:

1. A list of all pedicabs owned, leased or controlled by such pedicab owner for which such owner seeks registration pursuant to section 20-255. Each such pedicab shall be uniquely identified on such list;

2. Proof that there is in force for the full license term a policy of public liability and property damage insurance that meets the requirements of section 20-253 of this subchapter for each pedicab listed pursuant to paragraph one of this subdivision; and

3. Such other information as the commissioner may require to establish the pedicab owner's eligibility for a pedicab business license under this subchapter.

c. A pedicab business license shall be valid for a term of one year. There shall be an annual fee of one hundred and ten dollars for such license that shall include the fee for registration, required by section 20-255, of one pedicab. The registration fee for each additional pedicab shall be sixty dollars.

Such insurance policy must provide, at minimum, the following protection:

b. It shall be unlawful to operate, or cause to be operated, any motorized pedicab or multi-passenger wheeled device, other than a tandem bicycle, on any street, sidewalk, highway, bridge, tunnel or park within New York City.

c. Any device seized pursuant to this subdivision shall be delivered into the custody of the police department. The environmental control board shall hold a hearing to adjudicate the violation of subdivision b of this section on an expedited schedule and shall render its determination accordingly.

f. The owner of a multi-passenger wheeled device or motorized pedicab seized pursuant to subdivision e of this section shall be eligible to obtain release of such device prior to the hearing provided for in such subdivision, if such owner has not been found liable for a violation of subdivision b of this section within a five year period prior to the violation resulting in seizure. owner upon payment of all civil penalties and all reasonable costs of removal and storage, or may commence a forfeiture action within ten days after the written demand by such owner for such device.

i. The department shall establish by rule the time within which multi-passenger wheeled devices or motorized pedicabs that are not redeemed may be deemed abandoned and the procedures for disposal.

j. 1. In addition to any other penalty or sanction provided for in this section, a multi-passenger wheeled device or motorized pedicab seized pursuant to subdivision e of this section, and all rights, title and interest therein shall be subject to forfeiture to the city upon notice and judicial determination thereof if the owner of such multi-passenger wheeled device or motorized pedicab has been found liable at least two times within a five-year period for violation of subdivision b of this section.

2. A forfeiture action pursuant to this subdivision shall be commenced by the filing of a summons with a notice or a summons and complaint in accordance with the civil practice law and rules. A multi-passenger wheeled device or motorized pedicab which is the subject of such action shall remain in the custody of the police department or other appropriate agency pending the final determination of the forfeiture action.

3. Any person who receives notice of the institution of a forfeiture action who claims an interest in the multi-passenger wheeled device or motorized pedicab subject to forfeiture may assert a claim in such action for the recovery of such device or satisfaction of such owner's interest in such device.

4. Forfeiture pursuant to this subdivision shall be made subject to the interest of a person who claims an interest in such device pursuant to subdivision three of this subdivision, where such person establishes that: (i) such multi-passenger wheeled device or motorized pedicab was operated in violation of this section without the knowledge of such person, or if such person had knowledge of such operation, that such person did not consent to such operation by doing all that could reasonably have been done to prevent such operation, or (ii) that the operation of such multi-passenger wheeled device or motorized pedicab in violation of this section was conducted by any person other than such person claiming an interest in the device, while such device was unlawfully in the possession of a person who acquired possession thereof in violation of the criminal laws of the United States or any state.

5. The police department, after judicial determination of forfeiture, shall, by public notice of at least five days, sell such forfeited multi-passenger wheeled device or motorized pedicab at public sale. The net proceeds of any such sale shall be paid into the general fund of the city.

6. In any forfeiture action commenced pursuant to this subdivision, where the court awards a sum of money to one or more persons in satisfaction of such person's interest in the forfeited device, the total amount awarded to satisfy such interest or interests shall not exceed the amount of the net proceeds of the sale of the forfeited device after deduction of the lawful expenses incurred by the city, including reasonable costs of removal and storage of the device between the time of the seizure and the date of sale.

k. The penalties provided by subdivisions c, d, e and j of this section shall be in addition to any other penalty imposed by any other provision of law or rule promulgated thereunder.

§4. Severability clause.

If any clause, sentence, paragraph, subdivision, section or part of this local law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remaining portions of this local law, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.
